GROWING IN CHRIST THROUGH ARTS

SPRING 2022

Student of the Month

Nevaeh Shrader

Nevaeh Shrader is the granddaughter of Lily Shrader. She is a 7th grader at Huntsville Middle School. Nevaeh started studying Jazz and Tap with Cynthia Lill the Summer of 2021 and she loves Tap and Headstands. Nevaeh is also a music student of Adam O'Boyle, Hawthorne's newest piano teacher.

Cynthia says that "Nevaeh is one of the hardest workers and she always has a positive attitude. She always gives 100% and is an encouragement to her classmates. Nevaeh loves learning and is a joy to teach." We look forward to watching Nevaeh perform at our upcoming Music and Dance Recitals in May.
